Basis for Abstract Acceptance

The basis for acceptance of papers is that they are relevant and contribute to the current literature using the Structured Abstract template below. Authors are invited to submit an extended abstract of 150-250 words or less to the conference chairs. All conference abstracts will be reviewed by members of a Scientific Committee to ensure their academic rigor, practical significance to the industry, and value to existing literature. Each abstract should have a separate title page that includes the title of the paper, author name(s), affiliation(s), and full contact details including address, fax, phone, and e-mail. Your abstract must include up to five keywords that capture the contents of the paper. Submit your abstract (maximum 250 words), choosing from the presentation formats listed below (Oral, Poster, Panel, Conference). Your abstract will undergo peer review and the results will be returned to you by January 30, 2023.

Follow the Template for Writing a Structured Abstract
